Zoom Link: <https://zoom.us/j/....>

Attendees: Michael Graves, Dylan Potter, Bob Falotico, Paul O'Shaughnessy, Lenny Torto, Tammy Bressler, Ken Mental, Justin Murray, Jonathan DeRosa, Khalid Antar, Wren Werner

Meeting called to Order: 7:02PM

- I. Opening Remarks (Graves): The Regiment had a very busy couple of months with three encampments and Red Horse since September drill. There was an excellent turnout at all events, and we received many compliments from other units. Other units want to see how we operate. We ended the year strong and would like to extend thanks to everyone for their hard work.
- II. Meeting minutes, October 7, 2025: APPROVED
- III. Quartermaster Updates:
 - a. Accoutrements Inventory conducted by Paul O'Shaughnessy:
 - i. Eleven new cartridge pouch badges received (16 total), two unfinished cartridge pouches are being worked on and Michael Graves has one ready to go.
 - ii. We have white leather to make two to three belts and no black belting. Mike received two sheets of white. For black, suggest buying 9oz leather and dye it black
 - iii. Small epidemic of things getting stuck down barrels. It could be the tornadoes because they have flimsy threads. Paul provides everyone with a worm. Suggest an announcement at next drill for everyone to be cautious of tornado tools.
 - b. Leggings came in and have been issued new leggings to Lights (3), hats (3), and Grenadiers (4). Two sets left to make
 - c. Received cartridge pouch, match case, and bearskin from Eric
 - d. Some stuff is available that might be suitable for the kitchen. Suggest selling some excess items. Quartermasters will meet on the subject.
 - e. We have a template for the musket slings. Mike will make slings
